CITY OFFICIAL PAPER

The Daily Morning Republican, a neatly printed, 8-column sheet published at Fresno, California, and ably edited by H. E. Boothley, has the following: "The Tombstone Prospector commented unfavorably upon a decision rendered by a judge of the Federal court and was fined for his temerity the sum of \$300. The decision of a judge after it is rendered is public property. If a judge doesn't know that two and two make four an editor ought to have a right to comment upon the arithmetical part of the decision, at least. If a judge is ignorant of the law, the public ought to know it. But the Prospector had no right to state that the judge was an ass. The judge couldn't help it. He was born that way."

The Edmunds Resolution.

WASHINGTON, Jan. 22.—The House sub-committee of Foreign Affairs reported to a full committee this morning, recommending the adoption of the Edmunds Panama Canal resolution, though indicating at the same time that the phraseology of the resolution is not such as to be fully approved by the sub-committee. After discussion in the full committee the matter went over until Thursday.

Boulanger's Opposition.

PARIS, Jan. 22.—The Free Masons have issued a pronouncement against General Boulanger, and inviting the members of the order to support Quinquès, his opponent for the vacant seat in the chamber of deputies for the department of the Seine. The radical federation of 1879 has issued a manifesto urging the electors of Paris not to support Boulanger. The general has made a personal appeal to the workmen of Paris to support him and again repudiate all the ideas of dictatorship.

The Samoan Trouble.

WASHINGTON, Jan. 22.—At the State Department and German legation, considerable anxiety and apprehension is felt concerning the state of affairs at Samoa. The German minister avoids all interviews. Secretary Bayard says the State Department has not received any information of an alarming character from Samoa, since the transmittal of all correspondence on the subject to Congress last week. Subsequent dispatches, he says, are rather of a reassuring nature. "The lives and property and treaty rights of all Americans," said the Secretary, "will be protected and so will the Samoans in their right to self government without any interference from without."

"It Saved My Life"

Is a common expression, often heard from those who have realized, by personal use, the curative powers of Ayer's Cherry Pectoral. "I cannot say enough in praise of Ayer's Cherry Pectoral, believing as I do that, but for its use, I should long since have died from lung trouble."—E. Bragdon, Palestine, Tex.

About six months ago I had a severe hemorrhage of the lungs, brought on by a distressing cough, which deprived me of sleep and rest. I had used various cough balms and expectorants without obtaining relief. A friend advised me to try

Ayer's Cherry Pectoral. I did so, and am happy to say that it helped me at once. By continued use this medicine cured my cough, and I am satisfied, saved my life.—Mrs. E. Coburn, 18 Second st., Lowell, Mass.

I have used Ayer's Cherry Pectoral for over a year, and sincerely believe I should have been in my grave, had it not been for this medicine. It has cured me of a dangerous affection of the lungs for which I had almost despaired of ever finding a remedy.—D. A. McMillen, Windsor, Province of Ontario.

Ayer's Cherry Pectoral saved my life. Two years ago I took a very severe cold which settled on my lungs. I consulted physicians, and took the remedies they prescribed, but failed to obtain relief until I began using Ayer's Cherry Pectoral. Two bottles of this medicine completely restored my health.—Lizzie M. Allen, West Lancaster, Ohio.

 Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.

AT PRESCOTT.

The Fifteenth Legislative Assembly Convened.

Drake, of Pima County Elected Chairman of the Council.

Democrats Endeavoring to Prevent the Organization of the Lower House.

Getting Ready for Business.

PRESCOTT, Jan. 21.—The Council was called to order at 12 o'clock, noon, with Hon. W. H. Hardy in the chair. All members presented credentials and were sworn in by Chief Justice Wright except J. W. Harrington, Republican member from Yuma county, who had left his certificate of election at home. Chas. R. Drake, Republican member from Pima, was elected President; J. H. Carpenter, of Phoenix, chief clerk; W. D. Shearer, of Coolidge, registering and enrolling clerk; W. Linn, of Yavapai, sergeant-at-arms; David Hughes, of Pima, page; J. M. Moore, of Yavapai, watchman. The council then adjourned until 10 o'clock January 22d. The House was called to order with Hon. J. C. Jones, of Gila county in the chair. All members presented credentials and took the oath by Associate Justice, W. H. Barnes, except Purdy and Stevens, Democratic members from Yuma and Graham counties. Purdy having left his certificate of election at home. The House thereupon adjourned until January 22d at 10 o'clock.

Both Democrats and Republicans claim the organization of the House, as DuFay, independent member from Gila county, declines to go into caucus with either party. The Democrats are endeavoring to prevent the organization by not being present, and thus preventing a quorum, until Purdy and Stevens' certificates of election arrive.
